### Missionary Society Meets.

[The following was received too late for publication last week:]

The Missionary Society of the M. E. Church, South, met February 6 with Mrs. J. F. Bright. The afternoon was devoted to a study of Japan and its conditions and how the people of the United States should receive and treat its immigrants. Refreshments were served by Mrs. Bright, Mrs. J. H. Deardorff and Mrs. Wm. Tabler. Next meeting will be held at Mrs. A. M. Crandall's March 2.

### Pretty Dinner Party.

The prettiest party of the season was the 7 o'clock dinner party given by Mrs. E. L. Crawford and Mrs. W. H. Woods at the beautiful Woods home Tuesday evening, February 1. A four-course dinner was served. A huge bouquet of red and white carnations formed a beautiful centerpiece. The place cards were unique. Cards were the diversion of the evening. Those present were:

Messrs. and Mesdames Arthur Teeter, H. J. Deardorff, Joe Black, J. N. Marsh, Frank A. Rice, E. L. Crawford and W. H. Woods.

### Sciatica's Piercing Pain.

To kill the nerve pains of Sciatica you can always depend on Sloan's Liniment. It penetrates to the seat of pain and brings ease as soon as it is applied. A great comfort too with Sloan's Liniment is that it requires no rubbing. Sloan's Liniment is invaluable for stopping muscular or nerve pain of any kind. Try it at once if you suffer with Rheumatism, Lumbago, Sore Chest, Sprains, Bruises, etc. It is excellent for Neuralgia and Headache. 25c. H. F. Pitts.

### Commercial Club Getting Out Credit Rating List.

On March 1, 1916, every merchant who belongs to the Jasper Commercial Club will make a complete list of all his customers. This list is gone over thoroughly by the merchant turning it in and the Secretary of the Club, and all names are rated either as good pay, slow, too slow for profit, or bad.

With very few exceptions, every merchant of the city belongs to this Club which is formed (not by any means for the purpose of harming any one) but on the contrary to make it possible for those who are entitled to credit to get it, as well as to protect the merchants from carrying accounts on their books for many months, and to escape the losses caused by giving credit to the professional deadbeat. ### Letter From Oklahoma.

Quapaw, Okla., Feb. 7, 1916.  
To the Editor of the News and our Missouri Friends:

We are still located at Quapaw, and I am principal of the schools here as I have been for the past four years.

The town in which we live is growing rapidly and when spring comes we look for another growth, as many will move here to work in the mines. A lumber yard has been built here since winter began.

Every house that can be rented is rented, several live in tents and others would live here if they could find houses.

Hoping that none of you will fall this icy weather.

I am enclosing check for subscription.

Yours truly, A. G. Sweezy.

### Scrap Book Paste.

A simple and effective paste is made by covering the desired quantity of tapoca with cold water, putting on the fire, and stirring. Add more water while it boils to make it of the consistency of paste. This can be used on wood, leather, paper, or rubber, and is especially good for scrap books and photographs.

### NATIONAL SLOGAN SUGGESTED BY PROMINENT MEMPHIS DRUGGIST

Would Remind the Public to Prevent Sickness by Removing the Cause

T. D. BALLARD

a prominent druggist of Memphis says: "Much sickness could and would be prevented if the people would only remember that constipation is one of the first causes. As a reminder, I would suggest the slogan,

"Rexall Orderlies, the laxative tablet with the pleasant taste."

"I suggest Rexall Orderlies as I know their formula and believe they are the best remedy for relieving constipation. They can be used by men, women or children."

We have the exclusive selling rights for this great laxative. Trial size, 10 cents.

## Preparedness

A Most Vital Question. Are YOU Prepared?

If not it is all the more reason you should invest your money in the best farm machinery money will buy.

In the Independent Disc Harrow you will find some of the best features ever seen on a disc. The only disc on the market with double strength in side disc; and hard maple boxings that are guaranteed for five years.

The Independent and Rock Island Plows are a sure pleaser, being so constructed that they are easy to operate, light draft, long sloping moldboard, and soft center crucible share.

P. S. By the time this reaches you we will have been moved in to our new quarters, the Chapman building, recently vacated by the pool hall.
